

ECCK Compliance Forum

Compliance in Korea 2019: Trends, Challenges, and Technological Innovations

Thursday, August 22, 2019, 16:30
Yulchon offices (38F Parnas Tower, 521 Teheran-ro, Gangnam-gu)

Event Outline

At this edition of the Compliance Forum we will address trends that effect corporate compliance in 2019 as well as developments that will impact business in the foreseeable future. In light of its importance for the compliance function, expert speakers will outline the current legal landscape and discuss how Korean prosecutors look at corporate compliance efforts. The speakers will additionally discuss about how technology can more effectively connect global companies' compliance policies to local practices.

Event Details

Title: Compliance in Korea 2019: Trends, Challenges, and Technological Innovations

Date: Thursday, August 22, 2019

Time: 16:30 – 18:00 (Registration starts from 16:15)

Venue: Yulchon offices (38F Parnas Tower, 521 Teheran-ro, Gangnam-gu)

Speaker Profiles

Carl Im
Senior Advisor
Yulchon LLC

Mr. Carl Im is a senior advisor at Yulchon. He received his B.A. in Physics from Caltech and Ph.D. in Theoretical Physics from Stanford University. He worked for global investment banks for more than 15 years, including Goldman Sachs in New York, Tokyo and Hong Kong, and Merrill Lynch in Hong Kong and Tokyo.

Carl's company iolex.com, internet of law, makes augmented intelligence applications. As the founder and the CEO, he has developed and patented an algorithmic approach to corporate compliance risk management. As a senior adviser at Yulchon, he has been driving Yulchon's digital strategy, including the firm's new website based on the principles of "content-driven marketing" and "your business your way".

Ki Young Kim
Partner
Yulchon LLC

Mr. Ki Young Kim is a partner at Yulchon and specializes in M&A and corporate law. In addition to advising on a full range of insolvency and restructuring, overseas investment, and antitrust matters, Ki Young leads Yulchon's Healthcare Practice Team.

Furthermore, he has extensive experience advising on antitrust and fair trade matters. This includes cases on domestic and international merger control and filing, unfair subsidies by major Korean conglomerates, abuse of status in trading, domestic and international cartels and unfair trade practices.

Yung Sang Lee
Partner
Yulchon LLC

Mr. Ki Young Kim is a partner in the Dispute Resolution Group at Yulchon. He specialized in the category of cases referenced as 'special investigation', high-profile corruption cases involving public figures and large corporations.

Mr. Lee served as a prosecutor at the Ministry of Justice, Supreme Prosecutors' Office and a number of district level Prosecutors' Offices. Over a 15-year career as a prosecutor, he accumulated unique and in-depth experience covering three major areas of prosecutorial work, namely white collar investigation, criminal intelligence and international cooperation.
